

RETURNED OFFICER TELLS OF EXPLOITS OF TANKS

Colonel George Smith Patton on Foot Led Huge Juggernauts Through Argonne Forest.

HAS D. S. C. AND WOUND STRIPE
Believes Steel Machines Will Prove as Useful as Airplanes in Future Wars—Major Decorated for Disobeying Orders.

NEW YORK, March 18.—Exploits of the American tank corps in France, the heroism of the tank men, and the part played by the tanks in the capture of the Argonne Forest, complete, and other tank units arrived here.

Colonel George Smith Patton, Jr., of San Gabriel, Cal., in charge of the Third and Fourth Brigades, wears a D. S. C. and a stripe for a wound in the left side inflicted by a machine-gun bullet. He was fighting on foot, leading a number of tanks through a fog in the Argonne on September 26. The colonel was also acting as guide for a number of doughboys who were following the lumbering war chariots, and all of them were backed with the exception of the colonel's orderly, Private J. Argyle.

The orderly pulled the colonel into a shell hole, administered first aid, and stayed in the refuge with him for four days. The colonel's orderly, who was wounded in the head, said that he believed the tanks will be as useful as airplanes in any future war.

He then related an instance where five tanks captured a battery of 77's, and only two machines were knocked out by the shells.

Lieutenant Walter Brown, of the Third Hundred and First heavy tanks, said that on September 9 in the fighting of the St. Mihiel salient forty-two tanks went into battle, and only fifteen rolled back. On October 8, at Grandcourt, sixty-three tanks went out and only fourteen came back.

The Third Hundred and Fourth Brigade is the first tank unit to return, and it comprised fifty-five officers and 1,456 men. Its casualties were 42 per cent of the officers and 34 per cent of the men. The tanks of the unit made twenty-two different attacks in the Argonne, seventeen being destroyed by shellfire. At one stage of the fighting one unit found itself without a single officer.

Two men of the brigade received medals of honor and twenty-one the D. S. C. The latter included Sergeant N. E. Patton, of Bayreuth, Germany, Sergeant J. J. McGinty, Garbontale, Portland, Ore., and Major E. Brett, of Portland, Ore. The latter received the decoration for disobeying orders at St. Mihiel, September 13, ordered to keep his tanks back in the background, and went ahead, captured a town, cleaned out the snipers and then went back to the infantry.

Sergeant McGinty led an infantry unit to victory after his own tank had been halted by a shell.

BERRY RAY IS ONE OF MOST WANTED MEN IN STATE

Given Four Months on Each of Four Charges, and Faces Many Others.

Berry Ray, alias C. K. Smith, who was arraigned before Justice Crutchfield yesterday on six charges of petit larceny, with two of the charges continued, and was given four months in jail on each of the other four complaints.

Three more warrants were sworn out against him yesterday on similar charges, and he will be tried today in Police Court on them. It is asserted by police officials that he has committed many small thefts here, and that he is wanted at Norfolk and Waverly on similar charges.

Almost every detective at headquarters held a warrant for his arrest on some charge of theft. One detective in Police Court yesterday morning said that he held a warrant charging the theft of the clothing Berry was wearing at the time he was arraigned.

Berry claimed in court that he was in the employ of the government. He said that he had been a member of the Knights of Columbus. Justice Crutchfield stated that it appeared as if Berry had attempted to clean up the town.

MUTUAL PROTECTIVE PLAN TO PROTECT EMPLOYERS

State Corporation Commission Grants Charter to Insure Against Loss From Accident to Employees.

A new insurance business in Virginia, resulting from the operation of the State Corporation Commission, was made possible yesterday with the issuing of the charter to the Mutual Protective Association, which will insure employers against loss from indemnity employees who come under the provisions of the recent statute.

The president of the association is W. Donald Lee, of Lynchburg, Commissioner of Fisheries in the State Government. Martin S. Stringfellow, of Charlottesville, is named as vice president, and George M. Cess, of Richmond, is secretary. The principal office will be maintained in Richmond, the association reserving the right to open branch offices at any place it may choose.

Employees also will be issued policies by the new company.

FAIL TO BOOM WHITMAN

New York Republicans Fail to Indorse Former Governor as Presidential Candidate.

ALBANY, N. Y., March 18.—Former Governor Charles W. Whitman's aspirations for the presidential nomination were placed in the discard today, when the New York Republican caucus failed to indorse him as the party's candidate.

NEVADA AGAINST LEAGUE

(By Associated Press.)
CARSON CITY, NEV., March 18.—By a vote of eight to four, the Nevada Senate today refused to adopt a resolution indorsing a league of nations "of which the United States shall be a member."

Ministerial Crisis in Lithuania.

(By Associated Press.)
LAUSANNE, SWITZERLAND, March 18.—As a result of a ministerial crisis which has arisen in Lithuania, M. Dovydas has been asked to form a new cabinet, according to the Lithuanian news bureau here. The Christian Democrats will have a majority in the new ministry, to which M. Norenka, a leader of the Progressive party, has promised his support. The Socialists have withdrawn.

To Enforce Factory Laws.

(Special to The Times-Dispatch.)
RICHMOND, N. C., March 18.—Commissioner of Public Welfare Deasley is lining up his preliminary arrangements for the administration of the new child labor law and for the inspection of manufacturing plants. He will take from these manufacturing plants any children under the age limit and send them forthwith into the schools. His department has \$10,000 for this inspection.

Yarn Operatives Return to Work.

WOONSOCKET, R. I., March 18.—Twenty-six hundred worsted yarn operatives employed at the Desmout, Lafayette, Alsace, Lowland and French worsted plants voted today to return to work, ending a seven weeks' strike. The strikers said they had been granted their demand for a forty-eight-hour week and weekly bonus.

ORDERS DISCHARGE OF 1,000 MEN AT CAMP LEE

Motor Transport Corps Will Be Cut Almost in Half and Cars Laid Up.

62D INFANTRY NOT AFFECTED

Soldiers' Own Show, "I'll Say So," Gives Free Performance for Benefit of Hospital Patients—Trip to Washington Called Off.

(Special to The Times-Dispatch.)
CAMP LEE, VA., March 18.—At least 1,000 additional men will be discharged from the permanent organization of Camp Lee as the result of orders issued today by Major-General Omar Bundy that every organization has been reduced. Every organization has been reduced, but there will be immediate steps taken to materially reduce the organization personnel as the result of General Bundy's orders.

This order will mean cutting the motor transport corps almost in half, and may necessitate laying up a number of the cars now in use. The camp exchange detachment, adjutant's force, personnel office force, morale officer force, base hospital, convalescent center, and virtually every camp detachment will relieve a good number of men.

ORDER DOES NOT AFFECT THE SIXTY-SECOND INFANTRY

This reduction in the men in the permanent organizations does not affect the Sixty-second Infantry, the only regular army outfit at Camp Lee.

The Sixty-second Infantry has taken over some of the outpost guard work, but most of the camp work is still in the hands of the drafted men and it is these drafted men who will be the winners by this new order.

When this slash in the camp personnel has been made, Colonel Geary, chief of staff, stated today that it could be assumed that the camp was down to the lowest number possible until the demobilization work had been practically completed.

CAMP LEE'S OWN SHOW GIVES FREE PERFORMANCE

Camp Lee's "own" show, "I'll Say So," opened here Monday night in a three-day performance at the Liberty Theater, and received an enthusiastic reception. This afternoon the base performance for the patients of the base hospital and the men in the convalescent center was given at the same place. It was announced today that, owing to the scarcity of officers, the proposed trip to Washington had been abandoned for the company.

The beautification of the headquarters circle is being carried out by the quartermaster forces. It is proposed to not only put the entire area in grass again, but to introduce some flowers to add color and gaiety to the appearance of things in that part of camp.

The usual number of between 400 and 500 men were discharged or transferred to other camps for discharge today. Among the Virginians who got their honorable discharge papers were Lemuel Hunter, Allen M. Johnson, William White, all of Richmond, Jesse P. Cauley, Hot Springs; James R. Elliott, Williamsburg; Jesse C. Fisher, Norfolk; Robert N. Hall, Marion; James R. Finch, Newport News.

BROAD AT SEVENTH

Down in the abdominal cavity lies a great "plexus" or network of nerve centres, that has been called the "abdominal-brain." It cannot think. Its functions are to superintend and keep in operation various mechanical processes, such as the proper secretion of moisture by intestinal glands and adequate action of intestinal muscles in the walls of the bowels.

It receives messages from nerves in various regions of the body, but being unable to reason, it often acts blindly, imperfectly, or improperly. It may stop secretion, lessen muscular action—and the result is constipation.

Castor oil, pills, salts, mineral waters, etc., do not reason with the abdominal brain, they force it to temporary action, to unnatural effort, until the bowels move. But this is followed by a sulky attitude or even a "strike" by your other brain, and the constipation is increased not cured.

90% of human illness results from self-poisoning, caused by constipation.

But Nujol acts differently. Nujol is not a drug, does not act like any drug.

Nujol acts mechanically to coax the bowels to move easily and thoroughly at regular intervals.

Nujol supplies necessary moisture to bowel contents, makes it easier for tired intestinal muscles to act, absorbs poisonous matter, overcomes stagnation and by so doing persuades the abdominal brain to act rationally and efficiently. Nujol has no deleterious after effects, forms good habits instead of bad ones, overcomes constipation at any age, under any conditions.

Get a bottle of Nujol from your druggist today and send coupon for free booklet "Thirty Feet of Danger."

Warning: Nujol is sold only in sealed bottles bearing the Nujol Trade Mark. Insist on Nujol. You may suffer from substitutes.
